**Dept. of Electrical and
Computer Engineering**

Go to the ECE website at <http://www.ece.arizona.edu> and click “Research Areas” and “Faculty List” to learn more about the research interests of the faculty.

Research area of interest: _____

List the five faculty who are closest to your research area of interest. This helps us to match faculty with prospective students and does not limit whom you may later select as your advisor.

1. _____
2. _____
3. _____
4. _____
5. _____

I certify that the information provided on this application and any attached documents is true and accurate to the best of my knowledge and understand that omissions or falsifications may result in withdrawal of a decision to accept me.

Signature: _____ Date: _____

This application form is for admission only to the Dept. of ECE; you must also complete a separate form for admission to the UA Graduate College. Mail this ECE application form and the required supporting documents, prior to the application deadline, to the Graduate Studies Office; Dept. of Electrical & Computer Engineering; The University of Arizona; P.O. Box 210104; Tucson, Arizona 85721-0104 U.S.A. The required supporting documents include a copy of the completed Graduate College application form, copies of all transcripts, an official report of GRE scores, a copy of the TOEFL score report (for international students), a Statement of Purpose, and three letters of recommendation. For M.S. and M.Eng. applications, the letters are required only if seeking financial support or if the scores are marginal. For Ph.D. applications, at least one of the letters must be from faculty from your master’s program.
